

Bethesda Employees Volunteer at Annual MDA Telethon

September 6, 2009

On Sunday, September 6, Reznick Group Bethesda employees took time out of their Labor Day weekend plans to pick up the phone lines at the Jerry Lewis MDA Telethon which took place at the Gallaudet University Kellogg Center.

Together, they manned the phones during their shift, which ran from 9pm to 12:45am. At their telethon site alone, \$181,000 was raised during their shift.

Trish Travers presented a check for \$14,000 on behalf of Reznick Group. The funds were the total sum of contributions over the past year across the firm. Annually, Reznick Group sponsors the MDA Have a Heart Gala.
