

Sacramento Office Participates in “Adopt a Family” for the Holidays

December, 2009

The Sacramento office participated in the Holiday Adopt-a-Family Program through the local homeless shelter, Loaves and Fishes. Holiday Adopt-a-Family is an opportunity for the office to give back to the community by providing Christmas to an underprivileged family. The families selected for this program have overcome serious obstacles to break free from the cycle of homelessness; however, many struggle to maintain stability. The program affirms their efforts and supports these families on the road to self sufficiency.
